The balance of the trip must be received at least 14 days prior to trip departure (45 days for group bookings of 6 or more) and if payment is not received, we reserve the right to treat the reservation as canceled. Also, no guests will be allowed to depart on a tour until all payments and forms have been received by Blackaby's Sea Kayaks and Tours.

Accommodation

Accommodation on multi-day tours is based on shared occupancy for B&B rooms and tents. If you are coming on the trip alone we will match you with another guest of the same sex. Single occupancy surcharges may apply on some tours.

Canceled Trips

We reserve the right to make any changes to the trip dates, itineraries or costs without notice. Due to adverse weather conditions or insufficient numbers we have the right to cancel a tour. If we cancel the trip, you will be notified as soon as possible and have the choice of transferring to another trip or receiving a full refund.

Insurance

We recommend all guests purchase trip cancellation insurance which

covers you in the event of an unexpected cancellation, your baggage, and emergency evacuation and extended medical.
